WEEKLY TORAH PORTION SCHEDULE

PREPARED BY

SPECIAL NOTE: It is Rabbinic tradition for Jews outside of Israel to add an extra day to certain Biblical Festivals (e.g., 8th day of Passover or 2nd day of Shavuot). From time to time, these extra days will fall on a Sabbath day and alter the Weekly Torah Portion Schedule. At TorahResource, we do not follow this Rabbinic tradition, therefore, this lectionary is based on the Weekly Torah Portion Schedule that is used in Israel that does not add these Rabbinic holidays.
